ACCESSORIES

Armonia Line Sound absorber pictures

| | |
|-------------------------------------|---------------|
| Sound absorber element 650 x 650mm | 290.00 |
| Sound absorber element 1250 x 650mm | 475.00 |

B1 High damping insulator

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| Solid stainless and polished brass high damping insulator, interchangeable cylinders, internal NBR oring stabilizer, diameter 40mm, height 4 | |
| Set of 3 | 380.00 |
| Set of 4 | 475.00 |

DSD Decoupling steel disk

| | |
|----------------------------------------------------------------|---------------|
| Elastomer oring stabilizer, Diameter 40mm / total height 12 mm | |
| Set of 3 | 70.00 |
| Set of 4 | 95.00 |
| Set of 5 | 115.00 |

TCL Technogel cable lift

| | |
|-----------------------------------------------------------------------------------------------------|---------------|
| Decoupled cable lift system, Technogel plate, sylicone oring stabilizer, diameter 70mm, height 40mm | |
| | 295.00 |
